

Privacy Statement

Our Privacy Statement applies to information collected by us via the www.equineassistedqualifications.com website and in any manner described in this Privacy Statement.

Personal Information

We collect personal data about learners, candidates, assessors, verifiers and other staff members.

We use this personal information to deal with queries, to provide services, to determine whether individuals are eligible for government funding (if available) and for general statistics and research.

Depending on the preferences indicated, we may use personal data to contact individuals about qualifications and offers and for customer feedback.

Disclosure

We may disclose personal data to a sponsor, if an individual is being sponsored by an employer or by a trade organisation or other group.

We may disclose your information to third parties who may take over some or all of our business in the future.

Individual Choices

Individuals can request that:

- details not be used for marketing purposes;
- we provide a copy of the information we hold about them (we may charge a small fee);
- we correct inaccuracies in the information we hold.

Personal data is protected by UK data protection law and EAQ is registered with the Information Commission. Details for the UK Information Commissioner can be found at www.informationcommissioner.gov.uk.
